

Agenda Bill 2009-10-12B - Contract Award - Design of a Rehabilitation Process for Existing Sewers by CIPP Method (PW 1004)

Agenda Bill ID: AB 2009-10-12B
City Council
AGENDA BILL 2009-10-12B

Subject:

Contract Award - Design of a Rehabilitation Process for Existing Sewers by CIPP Method (PW 1004)

For Council:

October 12, 2009

Land Use Case Number:

N/A

Public Hearing:

N/A

Attachments:

Staff report of September 17, 2009 with RFP results

Initiated by:

Public Works Department

Budget Impact:

Funds included in current budget sufficient for project award

Sustainability Impact:

Project will result in reduction of Inflow and Infiltration of ground waters in our Sanitary System consequently reducing energy consumption of the Mapleton Pump Station and increasing life cycle of the pumps in the Pump Station.

Policy Questions for Council Consideration:

None

Summary:

The adopted Master Plan directs the staff to update the existing deficient Sanitary Sewer System with allocation of \$500,000 a year. City Council included \$500,000 in the current budget for the Sanitary Sewer Rehabilitation Project. Staff followed the City of West Linn Local Contracting Rules in requesting three proposals for the project. Three proposals were received ranging from \$39,766 to \$49,540. After evaluation staff determined that Murray,

Smith and Associates proposal is the most advantageous to the City and are recommending awarding the contract to Murray, Smith and Associates.

Recommended Action:

Acting in capacity of Contract Review Board, authorize City Manager to sign a contract with Murray, Smith and Associates in the amount of \$39,766 for the accomplishment of PW1004.
